

Equal Opportunities Statement

Version: 1

Author: Nick Shepherd Reviewer: Helen O'Neill Approved: Andrew Lucas

This statement refers to the best practice we aim to provide for all children who attend the nursery. Employment matters are covered in the equal opportunities policy for Trinity College.

Policy Statement

All children, irrespective of ethnicity, culture or religion, home language, family background, learning difficulties or disabilities, gender or ability will have the opportunity to experience a challenging and enjoyable programme of learning and development within a culture of care and attention.

Trinity College Day Nursery has a distinct ethos derived from the Christian faith which is at the heart of our college community. Inclusion and hospitality is a vital aspect of this ethos, as is our dedication to provide a happy and stimulating child centred environment tailored to meet individual needs where reasonably possible.

We undertake to help children to value and celebrate differences of ethnicity, culture, religion, language, gender and ability.

Helen Torrington has responsibility for monitoring and reporting to the staff team on issues of equal opportunities.
